

A FAMILY

© C. S. Craig

A family is God's blessing, it means so many things...
Words can never really express the love a family brings.
A family is sharing and caring for one another...
The love of Father and Mother, Sister, Brother.
A family is heartfelt pride...
A feeling you hold deep inside.
A family is home and peaceful living...
The second place to be forgiven.
A family is a gift from God that even time can't sever...
A gift to last a lifetime, a family is forever!
