

## AFTER SALVATION

© C. S. Craig 1999

Congratulations! You have just made the most important decision of your life.

In a moment in time you accepted Christ as your personal Savior and in that very moment God the Holy Spirit sealed you into the "body of Christ" – you are a member in particular (1 Corinthians 12:12; 2 Corinthians 1:22; Ephesians 1:13, 22; 4:30). As a member of the Body of believers in Christ you have a special gift(s) given to you by the Holy Spirit so that you can execute God's plan for your life.

God's Plan for you personally is that you learn His Word (the Bible). To do this you need to find a Bible teaching Church in your area. For assistance on what to look for in a Church, write or email WOTM.

God has a purpose for you – a personal plan that He designed just for you in eternity past. He knew you would trust Christ, and He made every provision for your life. *"But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be glory, both now and to the day of eternity (forever). Amen"* (2 Peter 3:18; Ephesians 1: 3-23). You are now kept alive on earth to fulfill your personal destiny by becoming a mature believer. As a mature believer, which takes time, you can bring glory to God.

Now that you are saved eternally, learn God's Word so you too can tell others the Good News of salvation through Jesus Christ our Savior and Lord. Remember, your faith is new and must be nourished, else you fall back into doubt. Faith comes by hearing the Word of God (Romans 10:17). God the Holy Spirit now indwells you, along with God the Father and God the Son. He makes His home in your soul. You are the Temple (dwelling place) of the Holy Spirit (1 Corinthians 3:16-17; 6:19; 2 Corinthians 6:16). Learning the Bible will help your spiritual hearing. You will learn to listen for the still small voice of the Holy Spirit as you learn more and more of God's Word. God Bless you.

In closing, the names and locations of the Books of the Bible are usually in the front of your Bible. Use this guide until you can find Scripture on your own. Don't let anyone keep you from learning all about Christ and God's plan for your life. Go to Church as often as you can. Happy studying! Amen.
