

## **I'M HOME!**

© C. S. Craig

The end of some men's desire  
Will come by death in leaping fire  
When God judges by His Word  
Then turns and takes His Sword

Souls in torments lost in death  
Separated from God - no eternal rest  
For the life of many Christ died in vain  
The cross stood once, but never again

The winds of glory blow on high  
Across heavens endless sky  
Christ is beautiful upon His Throne  
I'm home! I'm home! I'm home!
