In death there is no return address, only forwarding.

We must learn to be introspective prospectors.

In prophecy the Bible describes the future of history with total accuracy.

We now live the ever-present future of history.

Childhood is the influencing factor of destiny.

Ungodliness is the search for God - making the wrong choices.

Worldliness is cosmic which contradicts God.

From our viewpoint atop God's Word we are able to see God's point of view.
