

REALITY REFLECTED

Blue is the heaven that surrounds His Throne
Blue is the heaven above the earth
Green is the light that surrounds His Glory
Green is the covering over the earth.
Man's unhappy house is his chosen kingdom.
The earth stands alone in the voiceless void.

IF ONLY THE PEOPLE WILL

The nation in shock from the buildings collapse
Looks on havoc of dust and steel
How soon we forget the tragedy, but perhaps
We shall find victory if only the people will.

POWERS RISE AND FALL

Powers rise and fall
Faith and disbelief
Life, the same to all
History repeats the grief
Powers rise and fall.
